Thanksgiving & Christmas

Two holidays for us to give thanks...

On November 26th, 1789 was first celebrated as a national holiday by proclamation of President George Washington.

Christmas has been a sacred religious holiday for over two millennia, but officially a federal holiday in the United States since 1870. In both cases let us take a moment to remember the reason as we enjoy these days and be thankful for what we have.

Please take just a few moments to remember our deployed servicemen who can't be home with their families as we are. May they have a safe holiday also.

Pack Leaders Committee Meetings

1st Thursday each month at 7pm; December 7th is the next meeting at the American Legion Hall

As we approach the fall and winter again, our leadership would like to remind all of our parents and volunteer leaders that "If Swanton Schools close due to weather, then our meeting that night will be cancelled."

National Wreaths Across America~ Our Story

<http://www.wreathscrossamerica.org/>

<http://www.wreathscrossamerica.org/our-story/>

One man's annual tribute to our veterans inspired a legion of volunteers and gave rise to the Wreaths Across America of today

Morrill Worcester, Founder of Wreaths Across America, and his wife Karen Worcester, Executive Director (pictured at the right); the following is part of the story

Morrill Worcester, owner of Worcester Wreath Company of Harrington, Maine, was a 12 year old paper boy for the Bangor Daily News when he won a trip to Washington D.C. His first trip to our nation's capital was one he would never forget, and Arlington National Cemetery made an especially indelible impression on him. This experience followed him throughout his life and successful career, reminding him that his good fortune was due, in large part, to the values of this nation and the veterans who made the ultimate sacrifice for their country.

In 1992, Worcester Wreath found themselves with a surplus of wreaths nearing the end of the holiday season. Remembering his boyhood experience at Arlington, Worcester realized he had an opportunity to honor our country's veterans. With the aid of Maine Senator Olympia Snowe, arrangements were made for the wreaths to be placed at Arlington in one of the older sections of the cemetery that had been receiving fewer visitors with each passing year.

As plans were underway, a number of other individuals and organizations stepped up to help. James Prout, owner of local trucking company Blue Bird Ranch, Inc., generously provided transportation all the way to Virginia. Volunteers from the local American Legion and VFW Posts gathered with members of the community to decorate each wreath with traditional red, hand-tied bows. Members of the Maine State Society of Washington, D.C. helped to organize the wreath-laying, which included a special ceremony at the Tomb of the Unknown Soldier.

The annual tribute went on quietly for several years, until 2005, when a photo of the stones at Arlington, adorned with wreaths and covered in snow, circulated around the internet. Suddenly, the project received national attention. Thousands of requests poured in from all over the country from people wanting to help with Arlington, to emulate the Arlington project at their National and State cemeteries, or to simply share their stories and thank Morrill Worcester for honoring our nation's heroes.

In 2008, over 300 locations held wreath-laying ceremonies in every state, Puerto Rico and 24 overseas cemeteries. Over 100,000 wreaths were placed on veterans' graves. Over 60,000 volunteers participated. And that year, December 13, 2008 was unanimously voted by the US Congress as "Wreaths Across America Day".

The wreath-laying is still held annually, on the second or third Saturday of December. WAA's annual pilgrimage from Harrington, Maine to Arlington National Cemetery has become known as the world's largest veterans' parade, stopping at schools, monuments, veterans' homes and communities all along the way to remind people how important it is to **remember, honor and teach.**

WAA is committed to teaching younger generations about the value of their freedoms, and the importance of honoring those who sacrificed so much to protect those freedoms.
